Rock Hill, SC | 937-935-2203 | tannerantill@tlaartwork.com

Portfolio: tlaartwork.com

PROFESSIONAL PROFILE

Graphic designer with 8+ years of experience producing brand, print, digital and sports creative. Skilled at translating complex information into clear visuals, collaborating across disciplines and meeting demanding deadlines. Expertise spans print production, sports editorial, marketing and business-development design.

CORE STRENGTHS

Brand identity & marketing assets • Print-ready and large-format design • Sports editorial & social content • Presentations and proposals • Photography & compositing • Motion graphics & video

PROFESSIONAL EXPERIENCE

RS&H | Graphic Designer Apr 2022 – Present

- Design infographics, branded templates, presentations, brochures, booklets and large-format displays for technical, business-development and marketing initiatives.
- Support proposal efforts associated with more than \$100 million in infrastructure contracts, translating complex project information into clear, persuasive visuals.
- Collaborate with engineers and project teams, lead design on large-scale assignments and manage overlapping deadlines from concept through final production.
- Produce print-ready assets, retouched imagery, animated presentations, motion graphics and 3D visuals.

TLA Artwork | Freelance Graphic Designer Nov 2017 – Present

- Create sports and brand creative for professional athletes, sports agencies and other clients, including social graphics, identity work, templates and photo composites.
- Produce motion graphics, video edits and digital assets; manage client creative direction and delivery.

BLG Promotions | Graphic Designer Nov 2021 – Mar 2022

- Designed logos, advertisements, apparel graphics and business cards; maintained WordPress websites.
- Prepared production files for vinyl and heat-transfer apparel and supported purchase and sales order workflows.

BIG PLAY | Graphic Designer Feb 2019 – Aug 2020

- Designed sports editorial graphics, jersey swaps, series templates and social content for breaking news.
- Maintained company website content and designed digital visuals for publishing and social channels.
